

Faith in Action

The Lutheran Office for Public Policy in Wisconsin (LOPPW) engages Lutherans in advocacy for policies that promote peace, justice, and care for all of God's creation.

Priority Issues

We are working to build a Wisconsin where:

Hunger

No one goes hungry or experiences food insecurity.

Poverty

Poverty and its root causes are addressed and alleviated.

Care for Creation

We care for and protect the environment.

Immigration

All people are treated with dignity and respect as God's beloved creation.

Civic Engagement

Every voice matters, and elections are fair and accessible.

What You Can Do

Lutherans can take action by advocating for policies that align with their beliefs and values – at the local, state, and national levels. If you're wondering how to get started, here are some ideas:

Call or Write Your Representatives

Your representatives were elected to represent you. They want to know what matters in their community. Find your representatives here:

- State representatives: maps.legis.wisconsin.gov
- U.S. representatives: www.congress.gov/members/find-your-member

Request a Meeting or Plan an Event

Request a meeting with your representatives, or plan a community event you invite representatives to attend. LOPPW can help with scheduling and invitations.

Organize Church & Community Efforts

Amplify your efforts by working with others! Organize educational events, coordinate letter-writing campaigns, or plan advocacy events.

Get Connected & Attend Meetings

Subscribe to mailing lists for LOPPW and your elected officials. Follow key organizations and officials on social media, and attend in-person meetings in your local area.

Vote & Volunteer

Voting is an important way to shape the future and an express of hope. Take it a step further by organizing activities to share information with others about when, where, and how to vote, or volunteer as a poll worker.

Pray

Pray for your elected officials, your neighbors, and the most vulnerable in your community and around the world.

LOPPW can answer questions, help support your advocacy, and connect you with others who want to engage together.
